---

PROJECTS

Song Slice

Song Slice allows users to rate and discuss albums using Spotify's web developer API. I worked primarily on the front-end, while assisting in back-end debugging and testing.

CSCI 2270 Final

Data structures learned throughout the year applied to a code skeleton.

Personal Website

Portfolio made with HTML, CSS, and JavaScript.

COURSES

Jan 2023 — May 2023

CSCI 2270: Data Structures

Aug 2023 — Present

CSCI 3308: Software Development and Tools

Jan 2023 — May 2023

CSCI 2400: Systems

Jan 2024 — Present

CSCI 3104: Algorithms

EMPLOYMENT HISTORY

Jun 2020 — Aug 2023

Manchester Country Club Guest Services
Bedford, NH

Member services at Manchester Country Club include maintaining members' bags, driving range, and equipment; providing customer service and building relationships with members.

2018 — 2019

Clipstock
Remote

Filmed stock video footage for ClipStock, taking several hundred videos with a DSLR.
